TIME TO WAKE UP, MISS!

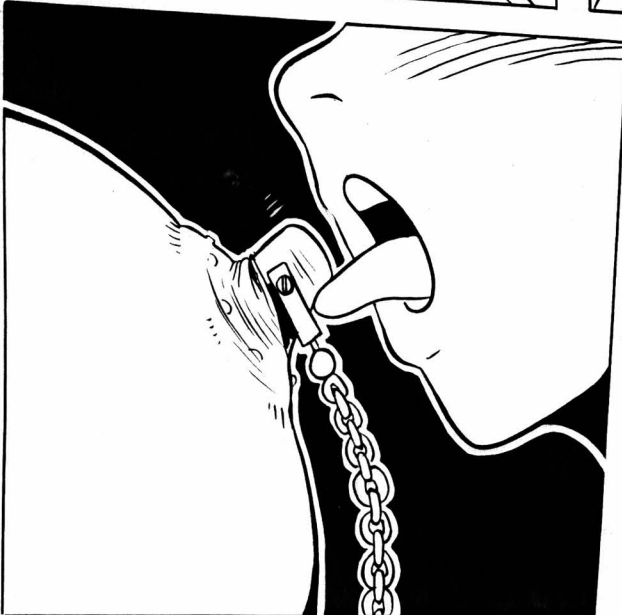

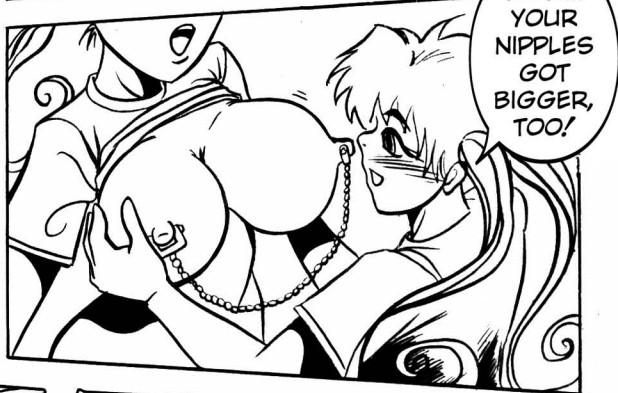

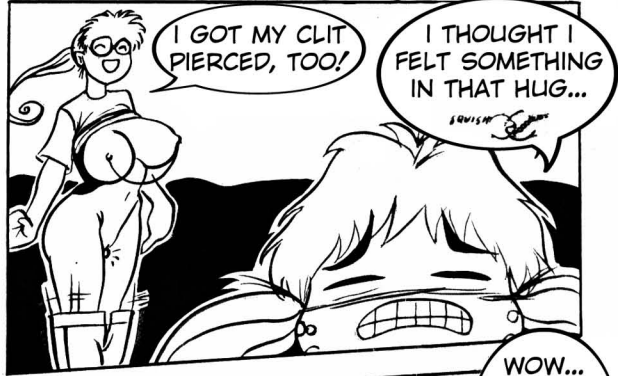

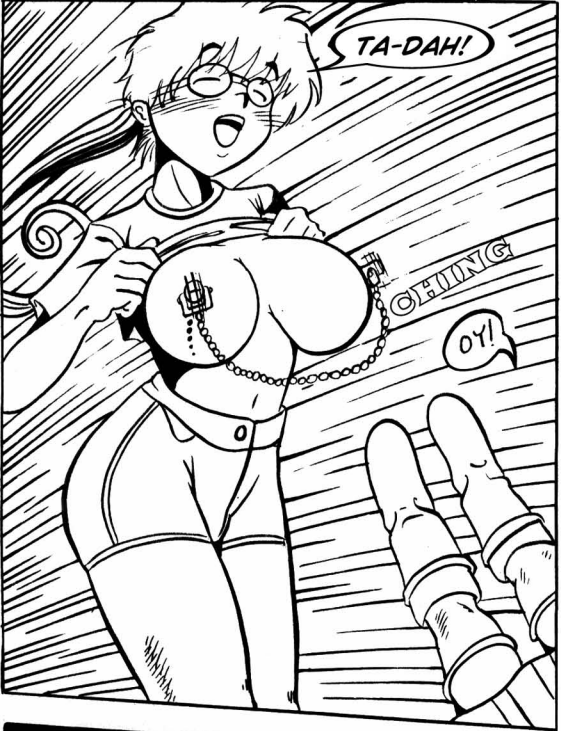

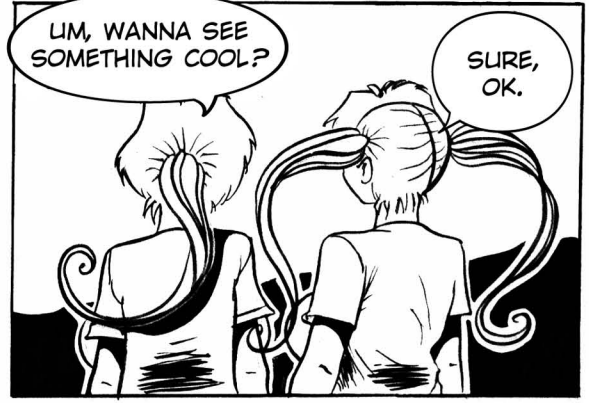

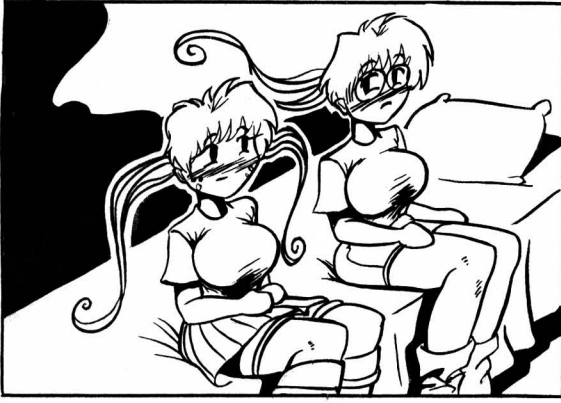

OR...

... YOU LICK
AND STROKE
AND FUCK ME
UNTIL I
PASS OUT.

THEN...

... YOU
CAN LEAVE.

WELL?

In the late 1990s a new artistic talent brought his works to a new independent comic publisher. These works were characterized by their lighthearted tone, their generally positive portrayal of sexuality, their willingness to explore certain taboos, and their love for the full-figured woman.

Now those works are back in print, including Solomon Russell's very first published work and a little material never before seen in mass market publication.

WARNING: this volume contains explicit depictions of sexual activity.
